

COVID-19 Consent Form

Due to the ongoing Covid-19 pandemic as a club we have now introduced stringent control measures to ensure the safe return of volleyball. This consent form details the new measures that we expect you to follow and adhere to.

We also require contact details for NHS Test and Trace purposes, by signing this document you are giving us consent to store your details going forward until government guidance details otherwise. We will abide by data protection laws (GDPR) and maintain anonymity in using this information.

Until you have signed and returned this consent form you will not be able to attend any volleyball activities provided by Sheffield Volleyball Club (an emailed version of the document is okay).

I confirm that I have read and understood the club's Covid-19 safety rules document, or that I have discussed the document with a member of the club committee where I was not sure of the rules. I am committed to following these rules to keep our volleyball community as safe as possible.
