

SHEFFIELD VOLLEYBALL CLUB

NEWSLETTER

2023 Season So Far

Sheffield is having a successful season so far. We currently have six teams competing across National and Local leagues. We even have two junior teams in the mix, which is fantastic to see and great for the sport. Team positions as of the end of 2023.

NVL2 Men – 4th

NVL2 Women – 2nd

NVL3 Men (Juniors) – 8th

Yorkshire Prem Men – 2nd

Yorkshire Prem Women – 4th

Yorkshire Prem Women (Juniors) – 2nd

Equipment and Volleyballs

Hopefully most of you will have noticed that there are a few new volleyballs. We recently spent over £1500 purchasing them all, so we hope it is appreciated by our club members.

Some of you may have also noticed that all the volleyball nets have now been tagged. This allows us to use the Sheffield Volleyball Club nets that have been sat disused in the cupboard.

Committee Shout Out

We recently had an issue with the green net used in the centre of hall 1. Sadly, it was stuck in the middle of the hall and prevented two of our teams playing their scheduled games.

Thankfully, two of our committee members came to the rescue and after 3 hours, they were able to finally release the net.

With a bit of ingenuity using bamboo sticks and a bean bag, they were able to release it. Big thanks to Derek and Adam for sorting it!!

Website

The website has been updated and a few things have been added. All the team's details have now been uploaded and there is even a page with a few action / team shots. If you want any photos adding, please email them to the club secretary.

Christmas

We want to wish you all a great Christmas and we hope you enjoy the festive break. See you all in 2024!
